

AGREEMENTS REACHED DURING THE PREVIOUS CABINET MEETING ON 12TH SEPTEMBER 2014

1. **Clan Structure:** Participants agreed the clan structure below for all the clans to adopt that also links them to the Iteso Cultural Union (ICU):

- ICU members also agreed to a number of 9 committee members at each level

- They agreed to have a woman elected as a vice clan leader at each clan level

Note: from the village clan level up to the county clan level, individual natural clans elect their leaders of 9 committee members at each clan level. At the district level, different county clan heads of different natural clans located within a district will each come with their committees of 9 members to elect one committee of 9 members to represent clans with their county clan heads within a particular district at ICU.

2. Women Representation

- It was agreed that where male is a clan chairperson, then automatically vice will be female and vice versa
- Also women must constitute 30% of the committee at all levels of the structure

3. Number of Clan Committee Members

It was agreed that the committee members will remain to be 9 members. The positions include:

1. Clan chairperson
2. Vice chairperson
3. General Secretary combined with information
4. Treasurer
5. Women Representative
6. Youth
7. Disability
8. Security
9. Secretary Land and culture be combined
